Hiring Manager,
ICE Technologies Ltd.

Applying for: PHP Developer
3rd April 2017

Dear Sir,

Please accept my resume as an expressed interest in exploring the possibilities of joining your department and organization in a PHP Developer.

I have several years of experience in the industry, and a strong educational background featuring a degree in Computer Science, I strongly believe I can make a significant contribution to ICE Technologies Ltd.

My Engineering expertise includes:

- Strong problem solving and coding skills.
- Experience with non-relational/relational database.
- Strong knowledge in various programming languages.
- Experience on full website/web application/software development.
- Experience on data validation and testing.

My Strength:

- Fast learner
- Able to work in any platform
- Hard worker
- Great desire to learn
- Punctual

I possess excellent communication skills and can liaise effectively with both clients and work colleagues. Other strong points include an ability to work as part of a team or individually, multi-task, prioritize and work to deadlines under pressure.

I have confidence that with proper guidelines I make possible anything you want. If you give me chance to prove myself I will not disappoint you.

I feel that my proven track record leading multi-functional teams makes me an excellent match for the job requirements. Also, the role excites me because I love the idea of helping to develop cutting-edge software products and I know I could start delivering results from Day 1. Therefore in view of all of the above I would be highly gratified if you consider me for this important position.

I am available to come in for an interview at any time, and would appreciate the opportunity to meet with you and your staff. I hope that I am granted an opportunity to talk and perhaps meet with you in the very near future.

Hope to hear from you soon.

Yours sincerely,
Md. Zayed Hassan
